**Niches available**

**Niche**

The Tower is located at the rear of the church building in a quiet, well-lit area. It is fully wheelchair/walker accessible from the driveway.

It is made of smart looking polished black and white granite that will withstand the wear from the elements. The front face will be suitably engraved as shown in the photo on the front of this brochure.

Tower size-7'tall by 9'wide with 48 niches measuring 12"H x13" W x15" deep. The front display panel will be polished black granite; the sides will be polished white granite to be in continuity with the church building. Each niche can hold two standard sized urns (Note: industry standard is 11.5" tall). No wooden urns are permitted in the columbarium. There are no single niches at this time.

## Related information

Each niche includes:

Perpetual care funds will provide for ongoing landscaping of the general area, regular cleaning, repairs (weather, vandalism, misuse), insurance costs, lighting; and the equipment housing and employee costs to carry-out such care.

All people will be welcome to be interred in the Columbarium. The Columbarium will be administered by Holy Apostles Parish. An identified Parish representative will attend the interment of non-Parishioners to receive the required death and burial certificates and confirm the interment.
